*Renew Your
Strength*

From My Heart

Greetings to dearly beloved readers of Ruah in the name of Jesus Christ, who is our Lord God and Savior. I thank our Lord from the depth of my heart for sustaining us with His righteous right hand for the past seven months. God has graciously given us the eighth month of the year. Eight denotes a new beginning. **I bless that you may acquire new anointing, new blessings and new strength this month.**

God worked great miracles by His grace, because of your prayers, in 'Thoothukudi Perinba Peruvizha' and 'Thudiyalur Vidudhalai Peruvizha'. An exclusive fasting prayer in the name 'Anugoolamana Vasalgal Thirakkapaduvathaaga' was telecasted on Ruah television from June 19 to 30. So many people contacted us to pray for their issues. God worked great miracles.

We conducted 'Supernatural Turnaround' from June 1 to 7. Many people joined us live and also in person to receive their supernatural turnaround. As an icing to the cake, on the seventh day, various warriors of worship led worship for seven hours, continuously. God delivered people from bondage granting them healing and deliverance. A good number of people shared testimonies and glorified the name of God. (Turn to pg 10&11)

PRAY FOR INDIA!

The LORD will take delight in you, and your land will be married. (Isaiah-62:4)

We are bound to pray for the blessing of our motherland as the whole nation is preparing for the **77th Day of Independence.**

India, though called independent, is still under the bondage of sins and abominations. We don't fail to hear and read things that are frightening, everyday. Christians are being persecuted all over the country. The economy of India is set back. Fast at least once a week to pray against the spirits of darkness that hinder the development of the nation. Pray especially for the Lord's reign over the upcoming Parliamentary election. Pray for the man after God's own heart to be elected. God will bless our nation and fill us with prosperity.

TIME TO ARISE FOR REVIVAL

Beloved, the foremost vision of our ministry is the '24 hours Praise and Prayer Tower'. We put in great efforts to plant 'Praise and Prayer Towers' all over India in order to plead for revival. We are piously toiling to plant a tower at St. Thomas Mount, the heart of Chennai where Thomas was martyred! As per the word, '**I will restore the fallen tent of David**' we are going to inherit it all with praise and prayers. I would like you to take part in this plan of revival and so kindly uphold us in prayers. Are you awaiting a miracle? I also encourage you to sow in

the plan with a vow! For further updates turn to Pg 15.

NEWLY RELEASED 'NANDRI' SONGS

The Lord helped us to release the single, 'Ezhumbi Va' last February. **A youngster approached me and said that the song made him surrender his life to God when he was in the verge of suicide due to mental stress.** Yes, this song revives many young people who are clueless and depressed. God has given me many other songs that I wrote at His feet. Pray for us to record and release them.

THE SECOND ANNIVERSARY OF RUAH TV

By the abundant grace of God, He has helped Ruah Television to complete its second year. God

helped us to start Ruah Television as a result of 15 years of prayers, in 2021. It has blessed lakhs of souls through the word of God, praise and worship and priceless sermons of the men of God and has transformed them. I thank everyone who sustained the ministry with prayers and generous offerings, from the depth of my heart. Your partnership has been a great help to this ministry. Continually sustain Ruah Television with your prayers to preach the word to lakhs and lakhs of souls and be a weapon of gospel. **Being a partner of the television ministry helps you to preach gospel through Ruah television where you can't! Don't forget that you are harvesting souls.**

Please remember me and Ruah Ministries in your prayers. May God bless you!

Your Brother

Renew Your Strength

Pastor Alwin Thomas

Beloved children of God, God is going to strengthen you and bless you this month. Without a doubt, this prophetic word of God is going to strengthen you who has grown weary due to so many cares. Read it keenly, confess the word of God and renew your strength.

But those who wait on the LORD Shall renew their strength; They shall mount up with wings like eagles, They shall run and not be weary, They shall walk and not faint.(Isaiah-40:31)

Every human's body is built and strengthened according to their maturity. But here the scripture talks about the divine power that God sends upon his children. People who receive this strength will be as active as youth though they are old and grey. They will not be afraid of what comes, will have the strength to face the obstacles and will accomplish deeds in front of the ones who discouraged them. God would like to fill you with such a strength today.

As an irony, some people do not want to be filled with this strength. They don't even try. Some are not aware of the means to attain this strength.

Some are worn out by the process as it is laborious! But God is going to fill you with His grace to be strengthened and soar high like an eagle.

NEW STRENGTH TO THE ONES WHO WAIT!

The phase of waiting feels like being abandoned by the Almighty. Waiting is a time of bitterness. Questions like, 'Why does God refuse to send me my miracle?' arise. Our hearts will start wavering with doubts that say, 'Am I still supposed to stand firm in my faith?'

The beak of an old eagle is usually blunt. As a result of increased amount of fat, the eagle struggles to fly high. It loses its strength to devour its prey. During such times, the eagle flies to a high mountain and smashes its own beak against the rocks. It plucks its own wings. It also smashes its nails. As it sits under the hot sun, the amount of fat gradually decreases. It submits itself to the suffering for a few month of time for its youth to be renewed. After the waiting period, with the renewed strength, it spreads its wings above the clouds and flies against the wind.

NEW STRENGTH IN THE SPIRIT!

Waiting time is not a wasted time. It's a golden period that moulds you to renew your strength and fulfill the purpose of God upon you. The waiting period of an eagle strengthens it to face the lightning storms. Comparably, waiting upon God's time holding on to your faith will fill you with the divine strength and anointing.

Moreover, a surprise awaits the people who wait on the Lord. For since the beginning of the world Men have not heard nor perceived by the ear, Nor has the eye seen any God besides You, Who acts for the one who waits for Him. (Isai-ah-64:4)

Yes, no one has ever seen or heard of what God is yet to work in your life. It is because God is going to work something supernatural.

Joseph, a lad dreamt of God's ways of exaltation. But the dream took its time to fulfill. Nothing happened in correspondence to the dream. He was sold as a slave in Egypt. He was falsely accused and imprisoned later on. Joseph, being enslaved for 17 years, waited upon God's timing in his life. He refused to adopt dishonest methods in the meantime. Though Joseph was imprisoned, the Lord was with him.

One fine day, he got a call from the palace of the Pharaoh. That very day, God lifted up the head of Joseph and made him in charge of all Egypt. He was adorned with the signet ring and the gold chain. God exalted Joseph in ways he himself could not fathom.

Yes, my beloved, the vision that God has kept in you is precious. Don't rush into it, but wait upon God's perfect timing. He will fulfill it at the right time. Even if it delays, just wait upon it, as per the Word of God. Wait and your strength will be renewed!

I was invited to one of the cities of southern Tamil Nadu to preach in a deliverance festival. While I was getting ready, the Spirit of God showed me some people who were disturbed in their spirit and so I started praying for them. The Lord came upon me as the spirit of intercession and prayers. He also assured that He would fill them with a new strength! While I was preaching, the Spirit of the Lord came upon the people as tides of ocean and filled them up with anointing and power. The evil spirits fled from the people making loud noise. At the end of three days, each and every one acquired a new strength.

A man's spirit will endure sickness, but a crushed spirit who can bear? (Proverbs-18:14). A glad heart makes a happy face; a broken heart crushes the spirit. (Proverbs-15:13)

Are you losing sleep over certain things that concern you? Are you worried about your future? Are you unable to focus on your work? Do not worry! Your sorrow will turn into joy. God is going to give you a garment of praise instead of a spirit of despair (Isaiah - 61:3). God is strengthening you who have worn out in the spirit. He is going to revive you with the free spirit!

Jesus was troubled in the spirit while praying in the garden of Gethsemane thinking of all the suffering He was about to go through (John-13:21). But an angel appeared and strengthened him. God is giving you, who is troubled in the spirit, a new strength to face anything today.

Start singing aloud instead of panicking while you hear disturbing news. **Start confessing your promises aloud. Speak words of faith and thank**

God for all his goodness. Utter words of courage like, 'For by you I can run against a troop. By my God I can leap over a wall'. While doing so, the peace that surpasses all understanding will fill your hearts renewing your strength.

Not only that, but also God is going to strengthen your inward man. Are you distant from God? Can't you get access to God's presence? Have you stopped reading your Bible and praying? Are you set back in your spiritual life? God is going to fill you with His spirit this month. The spirit of counsel and strength is going to dwell upon you.

Since He resides in you, you are going to pray with groanings which cannot be uttered. He is going to strengthen you to read your Bible and pray for hours. He is going to send upon you his anointing bounteously as per the word, 'I will pour my spirit upon all flesh'. He is preparing you for the end time revival. So do not grow weary, but yield to the leading of the spirit of God. Without a doubt, you will be strengthened and will be a witness to all the world.

NEW STRENGTH IN THE SOUL!

In the day when I cried out, You answered me, And made me bold with strength in my soul. (Psalms-138:3)

Bodily diseases that are not treated early become fatal someday. Similarly, if we don't treat our souls well, they will end up dead. Therefore David prayed, "**Lord, Heal my soul**" (Psalms-41:4)

Doctors cannot diagnose a soul's disorders. Anyone, especially the servants of God, might encounter worries, griefs, and depressions. Today, God is going to strengthen your soul to resist these three.

The archers have bitterly grieved him, shot at him and hated him. (Genesis-49:23). Mental depression is very dangerous. It is from Satan. The evil spirits that are invisible to naked eyes are the

archers. Rev. Pope Philip says mental depression is the chief weapon of Satan.

Are you depressed due to your past? Have you become a victim to Satan's arrows through unfortunate events of life? Is your soul hurt because of loss in business, nuisance of lenders, relationship issues and set back in education?

The arrow of depression attacked Joseph but could not take over him as **...his bow remained in strength, And the arms of his hands were made strong By the hands of the Mighty God of Jacob (From there is the Shepherd, the Stone of Israel) (Genesis-49:24)**

When Joseph became a victim to depression, he stood strong mentally. Thus he did not wear out and misspend the grace of God. God's word and God's spirit renewed the strength of his soul.

People filled with God's anointing are usually with strong mindsets. Peter and John, who received the anointing on the day of Pentecost, stood strong in their lives and ministries. They were not taken aback by the government and its laws that were completely against them.

They were not taken aback by the cruel laws of imprisonment and beheading. They did not hide in their houses, but stood in the streets and preached God.

Now when they saw the boldness of Peter and John, and perceived that they were uneducated and untrained men, they marveled. And they realized that they had been with Jesus. (Acts-4:13)

Dear children of God, do not be afraid of the oppositions and troubles. Don't yield to depression but stay strong. Let your soul be strengthened by God's Word and His Spirit. The chief strategy of Satan is to keep you from forgiving the ones who acted against you. He will not let you forget what you lost. He will keep on trying to exhaust you but Jesus will strengthen your soul. **He gives power to the weak, And to those who have no might He increases strength (Isaiah-40:29)**

NEW STRENGTH IN THE FLESH!

God filled the Israeites with the strength of a wild ox when they were brought out of Egypt! And there was none feeble among His tribes (Psalms-105:37)

Rather than physical strength, divine strength does supernatural things. Yes, Abraham was as good as dead and Sarah was past the age of child-bearing but as God filled them with divine strength, they were able to beget Isaac.

People used to bring a man who was lame since his birth and keep him at the gate of the temple that is called Beautiful in order to beg. As John and Peter were passing by he asked them for alms. Peter fixed his eyes on him and said, "I do not have gold or silver, but I will give you what I have". He lifted the man up telling him, "Walk in the name of Jesus of Nazareth". Immediately the man's ankle bones and feet received strength. He stood up, jumped and went inside the temple of God. The power in the name of God filled the man with new strength to walk for the very first time since birth. The power made him stand, jump and walk! Similarly, in Lystra, when Paul called out and asked the man who was lame since birth to walk, he did.

I was in Canada to preach in a Deliverance Festival that was held in the year 2017. I was preaching about the healing power of God. I led people into worship and was praying for their deliverance and healing.

At that moment, an old man, aged 60, approached me with his knee scooter. I asked him if he was healed. He said that he was using the walker since he went through four surgeries on his head. He had lost his gait.

The Lord's Spirit filled him with the new strength. He walked all over the stage by himself! The Lord made a man walk who could not stand on his own without the help of the scooter!

Are you battling sickness? Are your wounds pussing? Can't you get out of your bed? Is your health deteriorating day by day? Do you find no progress? God renews your strength and heals you. **He is going to satisfy your mouth with good things and renew your youth like the eagle.** The name of Jesus renews your strength. **He sends His word and heals you.** You will be strong again being healed by the stripes of Jesus Christ.

God who healed the man who was lame from birth will heal you today. Are you unable to conceive due to fibroid, PCOD or infertility? God who made Sarah give birth will help you. Are you afraid of dying of cancer? God will destroy the factors that cause cancer and heal you. Just say, "I can do all things through the Lord who strengthens me", "The grace of the Lord sustains me" and "God's strength is sufficient in my weakness". Resist your sickness and God's strength will fill you from head to toe. God will be the strength of your life. He will make your feet as the feet of the deer and make you stand at heights. He will give you the strength to earn wealth. You will be blessed many folds than what you are now.

Say this prayer with faith!

Dear Heavenly Father, I thank you for the strength you are sending into my body, spirit and soul. Help me to turn my challenges into victories every day. Help me to get rid of my mental stress and depression. Help me to accomplish my deeds with the help of your Holy Spirit. Be my heavenly strength. Let your blessings fill my life. In the name of Jesus, I pray. Amen.

Praise the Lord for His Goodness!

Ps. Edwin

SYNOD PASTORAL TEAM

Bro. Jefferson

With the help of All India Family Prayer Fellowship, deliverance festivals meant for the blessing and revival of Thudiyalur are being held for the past 25 years. Pastor. Edwin along with his church and team put in great efforts to keep it going. God graciously let us to celebrate the Silver Jubilee for five days and telecast it live on Ruah Television. Bro. Alwin Thomas led the congregation into praise and worship and delivered the word of God while praying for their deliverance.

God revealed Himself through the word **'Miracle, once again'** on the first day. 50 couples came to be prayed over for the fruit of the womb in the prayer time. Pastor. Alwin Thomas prayed and prophesied telling them, "You will be embracing your child by this time next year!"

Many youngsters committed to live their lives for God during the altar call on the second day. When our pastor prayed, God sent His anointing abundantly upon them. They came forward to share their testimonies of encounter with God with tears of joy! Moreover, Sis. Cherie Mitchell led the congregation into praise and worship and Pastor Joy prayed exclusively for the blessing of the crowd. Seven trumpets were blown at the end of the meeting. Our pastor spent time to pray over the people until 1 o'clock in the morning. The Deliverance Festival was a great blessing to the city.

COMFORT THROUGH THE WORD OF GOD!

We came to the meeting as a heartbroken couple. We prayed God to help us out of our obstacles with tears. God spoke with us through the sermon of Pastor. Alwin Thomas, 'Miracle, once again'. Peace filled our hearts as he said God would restore everything we have lost. We go back home joyfully.

Truth served hot

- PAS. CHERIE MITCHELLE

Hey folks! How do you do? I am excellent. Thank God that we have come halfway through the year. It's all because of grace. I believe that you are pressing hard towards the goal. I am doing the same. We shall meditate on the unique personality of God. The Holy Bible describes God vividly. It tells us that He is full of love, patience and grace. Yes, He is! As humans are crafted in the image of God, we possess a unique personality each. No one knows our personality better than our family. They would say if we are loving or unpleasant. The personality defines a person. It is the identity of one. Our Lord God is identified as 'Faithful'. It is not only His personality but also He Himself is 'Truth'. John - 14:6 calls Him 'Truth'.

Come, let us probe into it further to know how faithful He is and what He expects of us.

FAITHFULNESS IN WORDS

Words are highly deceptive these days. It is because words precede actions. We all know that Eve fell for words! Oftentimes we believe in the words of men but we are unaware of the lies hidden behind. Sometimes, we ourselves choose to hide behind a lie. Know that this trait displeases God. He always looks unto the faithful! He always pays attention to the words we utter in prayers and conversations.

As per the scripture, Abraham lied about Sa-

rah, his wife. Isaac, his son, repeated it. They both lied to the gentiles while Jacob, their descendant, lied to his own father. It is very obvious that lies corrupt generations. Lying has become a common human trait. Some practice lying temporarily but get trapped in the habit.

Peter, the disciple of Jesus lied about knowing Him, thrice! (John-18:17, Mathew-26:69, Luke-22:58). Lie is the foundation of sin. Lie is just a temporary shelter from reality! You can hide the truth just for now but for sure it will be revealed. 'For nothing is hidden that will not be made manifest, nor is anything secret that will not be known and come to light.' (Luke-8:17). A life with hidden truth will not be peaceful. It leads to fear, trouble and restlessness. So many are spending their days in guarding their secrets. Some people lie about the bride or the groom to do a wedding but when the truth is known the tables turn. People encourage lies to accomplish what they want. I repeat. A life of lies has no peace. If you want heavenly peace to reign over your life decide to hate lies and abide in truth.

FAITHFULNESS IN WORK OF HANDS

Faithfulness in work of hands is very crucial. Are you working? Even if no one supervises you, God prioritizes knowing how faithful you are. Procastination of work and irresponsibility in maintaining accounts might delay your blessings. God is pleased in blessing a responsible work-

man. It is a good quality to admit the errors that we commit in work. Keeping on blaming others or the equipments that you utilize rather than admitting your inadequacy won't help but bring consequences. **'Faithfulness will promote you'**. It is written, 'A faithful man shall abound with blessings' (Proverbs-28:20).

Are you still in college? If you are responsible in your role, God will make you a keyperson. The faithful will receive their reward and recognition naturally. It is written, **"His master replied, 'Well done, good and faithful servant! You have been faithful with a few things; I will put you in charge of many things. Come and share your master's happiness!' (Mathew-25:21)**. So, if we are faithful with a few things the Lord will put us in charge of many things.

Do not worry if your reward for faithfulness delays. You will soon be promoted. Hold on to your faith!

FAITHFULNESS IN FINANCE

God cares about our faithfulness from little to huge things. He pays attention to how we manage little money. Since childhood my parents taught me how to be faithful in giving! As it is written, wealth and honor come from you (1 Chronicles-29:12), the Lord has helped me to be faithful until now. Those who are faithful before the Lord will not perish. Above all He expects clean hands. Only he that has clean hands, and a pure heart; who has not lifted up his soul unto vanity, nor sworn deceitfully can ascend into the hill of the Lord! It is regrettable to see youngsters being unfaithful in giving to God. They are self-centred while failing to honour the Lord who provided them with the job. If you are a new employee, do not forget to give what is God's. If you practice it at a young age, God will bless you

abundantly in the future. We shall be not debtors but generous lenders.

FAITHFULNESS IN SPIRITUAL LIFE

Finally let us analyze how faithful we are in our spiritual life. How do we guard the precious salvation we have got? What is our progress towards salvation everyday? Why are we ruled by the abominations of the world while we have the spirit of God? Our spiritual life is filled with both godliness and the lusts of the world. Though many of us tend to be pious during Sundays and communion services what about the reality from Monday to Saturday? We who begin the first day of the week in truth end up in lies. Why do we fail to fulfill our vows that we make at God's feet to be clean? What does that mean? Making vows or breaking them, which is our true state? We say that we want to shun sin but under circumstances we fall into it. Every time we repent, Father God trusts us. He expects our faithfulness but we stumble after making vows.

How can God send us against demonic forces if our spiritual life is a mess of lie and truth? Friends, heed! **God uses the faithful for the work of His kingdom!** I thank Christ Jesus our Lord, who has given me strength, that he considered me trustworthy, appointing me to his service (1 Timothy-1:12).

Friends, let us make a firm decision today! We shall shun unfaithfulness and plead God for a clean heart. We shall be flawless in prayers, Bible reading and godliness. We shall rise for God as His force!

Latter Rain Revival

Fasting Prayer

As per the vision sowed in the heart of the man of God, 'The Latter Revival Fasting Prayer' has been taking place since last February. Prayers were rendered for our nation to be revived and blessed, along with pastors, worship warriors and believers of Chengalpet on July 15. We prayed for

the Lord to guard us against the consequences of Artificial Intelligence (AI) that is taking over the whole world! Moreover, God strengthened us to stand in the gap and pray for the victims of Delhi rain, Manipur violence and restoration of peace. Powerful warfare prayers were done against the blood thirsting spirits of darkness.

The Ruah Worship Team led the crowd into praise and worship. Pas. Alwin Thomas shared the prophetic word of God, 'The Lord's time to work for you has come'. The Lord casted the demons out of people when we prayed for healing and deliverance. **Uphold us in prayers to conduct the Latter Revival Fasting Prayers all over Tamil Nadu.**

Deliverance from evil spirit!

It has been a year since the death of my mother. Since then my daughter was battling evil spirits. She could neither have a proper diet nor focus on her studies. Moreover, she suffered from an intense headache and was unstable. I was deeply concerned about my daughter. Therefore I brought her to the meeting. While praying the demon cried out and fled. The Lord granted her perfect healing when Pas. Alwin Thomas prayed over her. He blessed her saying, **"You will be Esther. You will accomplish great things for the Lord"**. Glory to God!

God granted my desire!

Out of 11 years of married life, me and my husband stayed together only for two as he works far from home. I took part in the Latter Revival Fasting Prayer and prayed for his transfer. God answered my prayers. Now he is transferred to Chennai! Sis. Nalini, Chennai.

Come, Let's Rise Up & Build the 24/7 Revival Center!

Dear children of God, this is the end time. The time of revival! God is preparing the churches for a great upcoming revival harvest. We have proclaimed the Kingdom of God in every state and city through Freedom Festivals for youth, Joshua Army for pastors and missionaries, Miracle Festivals, Trumpet Festivals, Magazine ministry and Media ministry. Further obeying the plan of God for Ruah Ministries, we are preparing to build the Revival Center.

We are in need of Mt. Carmel meant for 24/7 worship, prayer and intercession and for us to cry to the Lord like Elijah, "God, send us the revival". We are in need of an upper room for the tongues of fire to fall. The Ruah Revival Center we are yet to buy is a revival workshop to forge the youth from various parts of the world in word, media operations and worship.

God has chosen one such place! God is going to give us the place as the city of David and fort of Zion as a result of 16 years of patience. We welcome you to lend your hands to construct the center like the people of Israel who built along with Nehemiah obeying the call, "Let us rise up and build".

God will build the lives of people who are zealous for His kingdom. The Lord God of heaven will make things work for you. Come, let us rise up and build. Sow what God wants you to sow in this Revival Center. Sow generously for the Kingdom of God!

It is estimated that a square feet cost Rs. 2,500. You can sow for this revival scheme as a family, as a church, or as a care cell.

My contribution to the revival:

- 1 sq ft Rs. 2500 4 sq ft Rs. 10000
 10 sq ft Rs. 25000

My contribution Rs.

Sow with a vow! When David intended to build a house for the Lord, the Lord built his house. Similarly, He will definitely bless you when you sow zealously for the revival!

Thoothukudi **PERINBA PERUVIZHA**

Tuticorin All Night Prayer Fellowship conducts meetings for the revival of tuticorin, inviting pastors and men of God for the past 33 years. Millions have experienced salvation through the meeting every year. Countless souls have experienced divine healing and deliverance. May God bless **Dr. Joe Prabhakaran** and team who put in great efforts for the meetings, abundantly.

Our beloved brother Pastor Alwin Thomas took part in 'Thoothukudi Perinba Peruvizha' on June 4 and 5. He led the people into worship and preached them the word of God. On the first day, he preached on the word, 'You will see the Egyptians no more! Finally, when he prayed for people to be delivered from curses, sickness and debts a good number of people got their chains broken instantly!

He began the second day with the question, 'Are you hearing God?' and ended with the prophetic word, 'God is sending a proclamation of turnaround, receive it!' Moreover he prepared the hearts of the people to receive the voice of the Jesus. Many committed to live for God!

Deliverance from demons!

I had breathing difficulty (suffocation) for the past one year. I was often filled with the fear of death. I was battling with demons and was peaceless. Amidst this, I took part in the meeting. When Pastor Alwin Thomas called me to the stage and prayed for me, I fell down. God delivered me from the evil spirits instantly. All glory to Him!

Healing from stomach pain!

I was attacked by a severe stomach ache every now and then. Apart from that, I was heartbroken because of my family issues. When I attended the meeting, Pastor Alwin Thomas prophesied and said, "Sister, your battle has come to an end. You will see the Egyptian no more. Everything you have lost will be restored. You will be a witness. God is healing you". God took the pain away instantly. I thank Him!
